COMMUNICATION TO CORRECT APPLICATION DATA SHEET
UNDER 37 CFR §1.76

Dear Sir:

This communication is being submitted with a Supplemental Application Data Sheet (ADS) according to 37 CFR § 1.76. A Revised ADS was submitted on April 13, 2007 to correct a typographical error within the name of the Assignee as follows:

Assignee's Name:

"Cambridge Laboratories, Ltd."

should read:

"Cambridge Laboratories (Ireland), Limited.

The original ADS also indicated an incorrect PCT priority serial number. Although it was correctly typed on the Revised ADS, it was inadvertently pointed out in the communication. The correction to the priority serial number is as follows:

Priority Serial Number

PCT/US05/00464

should read:

PCT/GB05/00464

Since the Office derives its bibliographic data from the ADS and not the Declaration, [see 37 C.F.R. § 1.76(d)(4)], in order to assist the Office, applicants submit herewith a Supplemental Application Data Sheet indicating the correct information.

No fees are believed due in connection with this paper. However, the Commissioner is authorized to charge any additional fees that may be due to U.S. Deposit Account No. 08-1935, Reference 2245.007A.

Respectfully submitted,

Philip E. Hansen
